# CHAIRMAN'S MESSAGE

## Dear Shareholders,

Greetings to you all and hoping you and your families are in the best of health and good cheer! As always, it is a pleasure to interact with you who have been pillars of strength to this organization in its journey across businesses over the years, focussing on creating value for all stakeholders.

This is the time of the year where I get an opportunity to update you on the various developments in the Company and give you a view on what the future holds for the Company.

## The Environment:

Before getting into the specifics of your Company's plans, it would be useful to understand the environment in which your Company operates, and the influence that global and domestic events and indicators have on the Company's future. The global economy is still struggling to maintain its recovery post-Covid because successive economic shocks have buffeted it. This is accentuated by the uncertainty caused by wars, changes in the political environment in various countries, trade sanctions etc. leading to significant uncertainty in the global arena.

The Indian economy on the other hand has maintained its resilience and has continued to show a growth trajectory. In the financial services sector, which your Company proposes to expand in, the country is speedily metamorphosing from the traditional way of providing offline financial services to a digitally driven financial services business. You would be glad to know that India has established itself as the world's third-largest fintech economy, ranking just behind the USA and the UK. The financial sector is healthy. Its balance sheet is stronger. It is willing to lend and continues to lend. These developments bode well for your Company while it makes plans to enter the financial services sector.

## Where we are and the way forward:

As mentioned in my previous year's message, the Company has re-positioned itself to get into and expand in the financial services sector. To give an impetus to this, the Board was re-constituted, the "Objects" clause in the Memorandum of Association was amended to provide for entry into this business and necessary application was made to the Reserve Bank of India (RBI) to get a registration as a "Non-Banking Financial Company" (NBFC). The registration as NBFC is the first step in the journey to pursue financial services business both through organic and inorganic means.

The RBI has considered our application and have raised certain relevant queries which have been clarified to them from time to time. We await further intimation from the RBI. We will keep you posted on the progress.

Post the approval of the registration as a NBFC, your Company will take steps for the Merger by Absorption of Hinduja Leyland Finance Limited into the Company.

## Corporate Governance:

Corporate governance for the Company goes well beyond meeting mandatory compliance requirements. Transparency in dealings and good governance have become a culture in the organization. The governance framework encourages integrity, innovation, sustainability and stakeholder delight. The Company has over the decades of operations maintained highest standards of governance and conducted business with integrity and fairness. This philosophy in no small measure has contributed also to the creation of stakeholder value.

## Conclusion:

My sincere appreciation for your unstinted support to the Company over the years and hoping that you will continue to support your Company in its endeavours to create value for all stakeholders. I would also like to thank the Directors who have been providing guidance to the Company, the Management which is rigorously pursuing the plans of the Company, Employees and Associates of the company. Also, my gratitude to our Bankers, Auditors, and Advisors for their continuous help and guidance during the year to help maintain the highest standards of corporate governance, which is accorded the top priority at the Hinduja Group.

I conclude by wishing you all good health and happiness.

Since the Company has no subsidiaries, the consolidated financial results are not required to be prepared and hence, not provided. The Company presently holds real estate as part of its Real Estate business segment and has invested surplus funds in inter-corporate deposits. The Company has in the previous year amended its Memorandum of Association to enable it to carry on business in the financial services sector.

The Board of Directors of the Company has proposed “Merger by Absorption” of Hinduja Leyland Finance Limited with the Company subject to shareholders and necessary statutory/regulatory approvals.

## DIVIDEND

The Board of Directors, at their meeting held on April 30, 2024, recommended the payment of dividend of Re. 1 (Rupee One only) per equity share (previous year ₹ 2.00 per equity share), i.e., 10% of the face value of equity share of ₹ 10/- each for the financial year 2023-24. The proposal for such a dividend is subject to approval of the shareholders at the ensuing Annual General Meeting of the Company.

The dividend recommended is in accordance with the Dividend Distribution Policy of the Company. The

Dividend Distribution Policy, in terms of Regulation 43A of the SEBI Listing Regulations is available on the Company’s website at <https://ndlventures.in/investors/corporate-policies/>

## TRANSFER TO RESERVES

No amount has been proposed to be transferred to the General Reserve during the financial year ended March 31, 2024.

## CHANGES IN SHARE CAPITAL

The paid-up equity capital of the Company as on March 31, 2024, was ₹ 33,67,16,210/- comprising of 3,36,71,621 Equity Shares of ₹ 10/- each. The said shares are listed on the BSE Limited and the National Stock Exchange of India Limited. There was no change in the paid-up equity capital of the Company during the year under review.

As on March 31, 2024, out of the Company’s total paid-up equity capital comprising of 3,36,71,621 Equity Shares, 3,30,41,947 Equity Shares (98.13%) were held in dematerialized mode. The Company’s equity shares are compulsorily tradable in electronic form.

## UPDATE ON SCHEME OF MERGER

In order to take forward the proposal for Merger by Absorption of Hinduja Leyland Finance Limited (HLFL) into itself, the Company needs to get registered as a Non-Banking Financial Company (NBFC) with the Reserve Bank of India. Accordingly, the Company applied to the Reserve Bank of India for its registration as NBFC under Section 45-IA of the Reserve Bank of India Act, 1934. The process of approval is underway, and the Company has been providing information as required by the RBI for the purpose. Post registration of the Company as NBFC, the Company will initiate seeking approvals of statutory/regulatory authorities in line with the requirements of relevant applicable provisions of the Companies Act, 2013, SEBI Listing Regulations and other laws for the proposed merger of HLFL.

## BUSINESS REVIEW

### State of the Indian Economy

The global economy has been a bit of turmoil due to various global events like the uncertainty caused by wars, changes in the political environment in various countries, trade sanctions etc. This has led to the economies not fully recovering post the pandemic period. Elections in the United State of America are scheduled for the end of this calendar year and the results of these elections will have a significant bearing on the global economy.

The Indian economy on the other hand has maintained its resilience and has continued to show a growth trajectory. In the financial services sector, which your Company proposes to expand in, the country is speedily metamorphosing from the traditional way of providing offline financial services to a digitally driven financial services business. You would be glad to know that India has established itself as the world's third-largest fintech economy, ranking just behind the USA and the UK. The financial sector is healthy. Its balance sheet is stronger. It is willing to lend and continues to lend. These developments bode well for your Company while it makes plans to enter the financial services sector.

### Nature of Company's Business and future outlook

The Company has taken steps to focus on the financial services sector and towards this the Board of Directors of the Company have proposed a "Merger by Absorption" of Hinduja Leyland Finance Limited with the Company. The financial services sector in India is booming and with the encouragement given by the Government of India for boosting of the economy, financial services sector is expected to do exceedingly well in the years to come.

## SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

As on March 31, 2024, the Company does not have any subsidiary, associate, or joint venture company. As such, a statement containing the salient features of financial statements of subsidiaries of the Company in the prescribed Form AOC-1 is not required to be prepared, hence, does not form part of this Annual Report.

## BOARD OF DIRECTORS

The Board of the Company is comprised of eminent people with proven competence and integrity. Besides the experience, strong financial acumen, strategic astuteness, and leadership qualities, they have a significant degree of commitment towards the Company and devote adequate time to the meetings and preparation.

### Appointment of Director retiring by rotation

In accordance with the provisions of Section 152(6) of the Act and in terms of the Articles of Association of the Company, Mr. Sudhanshu Tripathi, Director (DIN: 06431686) is liable to retire by rotation at the ensuing 39th Annual General Meeting ("39th AGM") and being eligible, seeks reappointment. The Board recommends his reappointment for approval of the members of the Company at 39th AGM.

### Change in Independent Directors

Mr Anil Harish (DIN: 00001685) who has been on the Board of our Company for over a decade has taken a decision to resign from the Board of the Company vide his resignation letter dated July 8, 2024 due to his pre-occupation on the Boards of various other companies and his busy engagements in the charitable work he is carrying out with respect to different colleges and educational institutions supported by him and his family.

The Board places on record its appreciation for all the valuable support and guidance provided by Mr. Anil Harish to the Board and the management during his tenure as the Independent Director of the Company.

The Board, at its meeting held on August 8, 2024, based on the recommendation of the Nomination and Remuneration Committee of the Company, appointed Mr. Debabrata Sarkar (DIN: 02502618) as Independent Director for a period of five consecutive years subject to the approval of the shareholders at the ensuing Annual General Meeting. The Board recommends his appointment for approval of the members of the Company at the 39th AGM.

Brief resume, nature of expertise, disclosure of relationship between directors inter-se, details of directorships and committee membership held in other companies of the Directors proposed to be appointed / re-appointed, along with their shareholding in the Company, as stipulated under Secretarial Standard 2 and Regulation 36 of the SEBI Listing Regulations, is appended as an Annexure to the Notice of the ensuing AGM.

## KEY MANAGERIAL PERSONNEL

In accordance with the provisions of Section 2(51) read with Section 203 of the Act, the following are the Key Managerial Personnel of the Company as on the date of this report:

- Mr. Amar Chintopanth, Whole Time Director & Chief Financial Officer and
- Mr. Ashish Pandey, Company Secretary

There was no change in the Key Managerial Personnel of the Company during the year under review.

## MEETINGS OF BOARD OF DIRECTORS

The Board meets at regular intervals to discuss and decide on the Company's business policy and strategy apart from other Board business. The Board/Committee meetings are pre-scheduled, and a tentative annual calendar of the Board and Committee meetings is circulated to the Directors well in advance to help them plan their schedule and ensure meaningful participation in the meetings. Only in case of special and urgent business, if the need arises, the Board's or Committee's approval is taken by passing resolutions through circulation or by calling the Board / Committee meetings at a shorter notice, in accordance with the applicable laws. The agenda for the Board and Committee meetings includes detailed notes on the items to be discussed to enable the Directors to make an informed decision.

- f. the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

## ANNUAL EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The Board evaluation is an essential part of the Company's commitment to good corporate governance. By conducting an annual evaluation of its Board, Committees, and individual members, the Company demonstrates its commitment to transparency, accountability, and effective governance. It enables the Board to identify areas where it can improve its performance and ensures that the Company's governance practices remain in line with best practices. The Company's Corporate Governance Guidelines require an annual evaluation of all Board Members and the functioning of the Board and its mandatory Committees. These mandatory Committees includes the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, Corporate Social Responsibility Committee, and Risk Management Committee. The purpose of the evaluation is to assess the performance of the Board, and its committees and identify areas for improvement. During FY2023-24, the Board, its committees, and individual directors, including the Chairman, underwent a comprehensive performance evaluation.

The Company engaged the services of an external agency to undertake the evaluation process. The manner in which the Board has carried out the evaluation in consultation with such an external agency has been explained in the Corporate Governance Report, which forms part of this report. The Independent Directors at their separate meeting held on March 15, 2024 reviewed the performance of Non-Independent Directors and the Board as a whole, Chairman of the Board after taking into account the views of Executive Director and Non-Executive Directors, the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

## CORPORATE GOVERNANCE REPORT

Maintaining high standards of Corporate Governance has been fundamental to the business of the Company since its inception. The Board of Directors reaffirm their continued commitment to good Corporate Governance and ethical practices.

## 17. UNPAID/UNCLAIMED DIVIDEND

Pursuant to Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority(Accounting, Audit, Transfer and Refund) Rules, 2016 (“IEPF Rules”), dividends, if not claimed for a consecutive period of 7 (seven) years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (“IEPF”).

Further, all the shares in respect of such dividends which have not been claimed for a period of 7 (seven) consecutive years are also liable to be transferred to the demat account of the IEPF Authority.

In the interest of the members, the Company sends periodical reminders to the members to claim their dividends in order to avoid transfer of dividends/ shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and members whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website at <http://ndlventures.in/investors/unclaimed-dividend/>.

In light of the aforesaid provisions, the Company will transfer the unpaid/ unclaimed dividend approximately ₹ 4,05,370/- (Four Lakhs Five

Thousand Three Hundred and Seventy Only) to the IEPF for the financial year 2016-17 in the month of October 2024 and will transfer approximately 1063 equity shares to the IEPF Authority, in the month of November 2024. Accordingly, the voting rights on the shares transferred to IEPF Authority shall remain frozen till the rightful owner of such shares claims the shares.

The members who have a claim on above dividend and shares may claim the same from IEPF Authority by submitting an online application in the prescribed Form No. IEPF-5 available on the website [www.iepf.gov.in](http://www.iepf.gov.in) and sending a physical copy of the same, duly signed to the Company, along with requisite documents enumerated in the Form No. IEPF-5. No claims shall lie against the Company in respect of the dividend/shares so transferred.

Those Members who have so far not encashed their dividend warrants for the financial year 2016-2017, 2017-18, 2018-19, 2019-20, 2020-21, 2021-22 and 2022-23 are requested to approach the Company's Registrar and Share Transfer Agent (RTA) – Kfin Technologies Limited for claiming the same at the earliest.

## 18. A. SHARE TRANSFER SYSTEM

As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialized form, with effect from April 1, 2019. - b) relationship of remuneration to the performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, Key Managerial Personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

#### 3. Remuneration for Non-Executive Directors

Non-Executive Directors (“NED”) are remunerated by way of Sitting Fee for each meeting of the Board/ Committees of the Board attended by them and an annual commission on the profits of the Company. Commission to respective NED is determined on the basis of objective criteria discussed and agreed upon by the Committee Members unanimously. NED’s are reimbursed any out of pocket expenses incurred by them for the purpose of the Company.

#### 4. Remuneration for Executive Directors, Key Managerial Personnel (KMP) and Senior Executives

The following elements are taken into consideration for determining the Remuneration of Executive Directors, KMPs and Senior Executives:

- The remuneration policy reflects a balance between the interests of the Company’s main stakeholders as well as a balance between the Company’s short-term and long-term strategy. As a result, the structure

of the remuneration package for the Directors, KMPs and Senior Executives is designed to balance short-term operational performance with the medium and long-term objective of creating sustainable value within the Company, while taking into account the interests of its stakeholders. The Company strives for a high performance in the field of sustainability and aims to maintain a good balance between economic gain, respect for people and concern for the environment.

- To ensure that highly skilled and qualified KMPs/Senior Executives can be attracted and retained, the Company aims for a total remuneration level that is comparable to levels provided by other Companies that are similar to the Company in terms of size and complexity.
- In designing and setting the levels of remuneration for the Directors, KMPs and Senior Executives, the Committee also takes into account the relevant statutory provisions and provisions of the corporate governance regulations, societal and market trends and the interests of stakeholders.
- The Company's policy is to offer the Directors, KMPs and Senior Executives a total compensation comparable to the peer group.

### Total Compensation (TC)

The total compensation of the Managing Director and Senior Executives consists of the following components:

1. Base salary
2. Variable income –
  - Annual Performance Pay (APP)
  - Performance-related Long-Term Incentive Plan (LTIP)

### Base salary

On joining the Company, the Managing Director, KMPs and Senior Executives receive a base salary comparable to the peer group. Every year, base salary levels are reviewed by the Committee.

### Variable income

The variable income part of remuneration consists of APP and LTIP. The distribution between APP and LTIP for (on target) performance aims to achieve a proper balance between short-term result and long-term value creation.

The parameters relating to the various elements of the variable income part of the remuneration are established and where necessary adjusted

by and at the discretion of the Committee, taking into account the general rules and principles of the remuneration policy itself.

The targets are determined each year by the Committee in consultation with the respective Director/KMPs / Executive, based on historical performance, the operational and strategic outlook of the Company in the short term and expectations of the Company's management and stakeholders, among other things. The targets contribute to the realization of the objective of long-term value creation.

It is one of the long term objectives to reach the proportion of variable compensation upto 50% of the total compensation.

## 5. Remuneration for other Employees.

Remuneration of middle and lower level employees of the Company consists entirely of fixed pay which is reviewed on an annual basis. Increase in the remuneration of employees is effected based on an annual review taking into account performance of the employee and the performance of the Company as well.

## 6. Employee Stock Options

It is a long term objective of the Company to introduce employee stock options to inculcate a sense of ownership among the employees of the Company.

## 7. Alignment of Remunerations

The Committee strives to achieve that the remunerations of the Directors, Senior Executives, Middle and lower level employees of the Company are aligned to each other.

## 8. Term of Appointment

The term of appointment of the Managing Director and other Executive Directors is generally for a period of 3 years and renewed for similar periods from time to time, whereas the term of the other employees, generally is upto the age of superannuation. However, the Company may also appoint consultants for shorter periods on need basis.

## 9. Post Retirement Benefits

All the executive directors and employees are entitled to retirement benefits such as provident fund, superannuation fund and gratuity.

## 10. Severance Arrangements

Contracts of employment with executive directors and regular employees provide for compensation of upto 3 months pay or advance notice of similar period.

## 11. Loans

There is no system of granting of loans to Directors, KMPs and employees of the Company.

**ECONOMIC OVERVIEW**

The global economy has been a bit of a turmoil due to various global events like the uncertainty caused by wars, changes in the political environment in various countries, trade sanctions etc. This has led to the economies not fully recovering post the pandemic period. Elections in the United State of America are scheduled for the end of this calendar year and the results of these elections will have a significant bearing on the global economy.

The Indian economy on the other hand has maintained its resilience and has continued to show a growth trajectory. In the financial services sector, which your Company proposes to expand in, the country is speedily metamorphosing from the traditional way of providing offline financial services to a digitally driven financial services business. You would be glad to know that India has established itself as the world’s third-largest fintech economy, ranking just behind the USA and the UK. The financial sector is healthy. Its balance sheet is stronger. It is willing to lend and continues to lend. These developments bode well for your Company while it makes plans to enter the financial services sector.

**Future plans**

The Company has taken steps to focus on the financial services sector and towards this the Board of Directors of the Company have proposed a “Merger by Absorption” of Hinduja Leyland Finance Limited with the Company. The financial services sector in India is booming and with the encouragement given by the Government of India for boosting of the economy, financial services sector is expected to do exceedingly well in the years to come.

The Company at present has certain land assets in Bangalore. The Company is in negotiations with various parties for disposing the land. While

the carrying cost of the land is approximately ₹ 12 crores, the market value based on an independent valuation is approximately ₹ 180 crores.

**PERFORMANCE REVIEW****Discussion on financial results:**

During the year, the Company placed surplus funds as inter-corporate deposits and has earned interest on the same. Apart from this, there was no other major source of revenue for the Company.

## RISKS, CONCERN AND MITIGATION PLAN

Risks are an integral part of business, and it is imperative to manage these risks at acceptable levels in order to achieve business objectives.

Based on feedback received, risk prioritization is done, key risks are shortlisted and assigned to the risk owners to help them define mitigation plans, along with key elements for monitoring, including relevant measures and milestones. The identified mitigation plans are monitored at periodic intervals to assess progress and measure if residual risks are within the organization's risk appetite.

The risk management policy of the Company lays down the risk strategy of the Company and helps in determining the risk factor, categorizing the various forms of risks affecting the Company's strategic and financial goals and modes to manage such risks.

## INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY PLEASE TAKE FROM BOARD REPORT

The Company has comprehensive internal control mechanism and has in place adequate policies and procedures for the governance of orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding its assets, prevention, and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures. The Company's internal control systems are commensurate with the nature of its business, and the size and complexity of its operations and such internal financial controls concerning the Financial Statements are adequate. The Company has a strong and independent in-house Internal Audit ("IA") department that functionally reports to the Chairman of the Audit Committee, thereby maintaining its objectivity. The remediation of

deficiencies as identified by the IA department has resulted in a robust framework for internal controls.

## HUMAN RESOURCES/INDUSTRIAL RELATIONS

The Company is committed to hiring talented human resources and nurture them professionally. Our all-encompassing HR Policy covers every aspect of employee management from recruitment to retention. Employee engagement, equality of opportunity, freedom of association, health & safety, recognition & recreation, and continuous learning are key principles of the policy. Human Resources are important assets of the Company. The Company has adopted employee friendly HR processes that help to grow and offer them personal developmental opportunities. The Company's HR policies encourage talent acquisition and retention process, ensure transparency, facilitate development, build trust and encourage and support performance-oriented environment.

24. Overview of the entity's material responsible business conduct issues. Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	GHG Emissions	Risk	Electricity and fuel consumption is an energy-intensive activity and generates direct and indirect greenhouse gas (GHG) emissions, including carbon dioxide and methane from fuel use. Uncontrolled pollutants and emissions during operation and associated activities impose legal and environmental risks for the Company	The Company prioritizes sustainable practices and recognize the importance of mitigating greenhouse gas (GHG) emissions.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
2	Climate Change	Risk	Climate change events pose physical risks such as floods and wildfires or transitional risks such as mandatory use of renewable energy regulations. Such events can potentially impact the business. Hence, provide an opportunity to assess and mitigate such risks	The Company's risk mitigation approach for climate change includes assessing and managing the environmental impact of its operations.	Negative
3	Data Security and Privacy	Risk	Companies are assessed based on the amount of personal data they collect, their exposure to evolving or increasing privacy regulations, their vulnerability to potential data breaches, and their data protection systems.	To mitigate data security and privacy risks, the Company has implemented measures such as strong access controls, encryption of sensitive data, regular security audits and employee training on data handling practices	Negative
4	Employee Wellbeing	Risk	Higher employee retention rates convey good Company's policies and practices. However, a high attrition rate indicates low employee satisfaction to investors. Ensuring employee well-being can boost employee morale and reduce hiring and on boarding costs	The Company focuses on implementing regular health check-ups, promoting work-life balance, offering health support services, and creating a safe and inclusive work environment to ensure the overall well-being and productivity of employees.	Negative
5	Corporate Governance	Risk	Businesses are assessed based on their performance across all key governance issues, which include ownership & control, accounting, business ethics, and tax transparency. This topic examines the effect that a company's corporate governance and business ethics practices have on its shareholders and other investors.	Our mitigation approach for corporate governance involves implementing robust internal controls, conducting regular audits, ensuring compliance with regulatory requirements, fostering a culture of transparency and accountability, and prioritizing strong risk management practices to safeguard stakeholders' interests	Negative
6	Business Ethics	Risk	The key issue relevant to business ethics and management of business ethics issues such as fraud, executive misconduct, corrupt practices, money laundering, or anti-trust violations. Ethics violations can lead to police investigations, hefty fines, settlement costs, and damage to reputation.	The Company ensures ethical practices by implementing a comprehensive risk mitigation approach. We conduct regular training sessions to promote ethical behavior among employees, enforce strict compliance measures, establish strong internal controls, and conduct thorough due diligence on clients. This ensures the protection of our reputation and the trust of our stakeholders.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
7	Regulatory Compliance	Risk	Regulatory compliance is of crucial importance for corporations as it helps to ensure that they are operating within the legal and ethical boundaries set by government agencies and industry standards. Failure to comply with these regulations can result in significant financial and reputational consequences for the corporation, including fines, legal action, and damage to their brand and customer trust.	The Company ensures adherence to all applicable laws and regulations, maintain accurate documentation, conduct regular internal audits, provide training to employees, and engage with regulatory authorities to stay updated on evolving requirements.	Negative
8	Fraud Risk Management	Risk	As a Company, the management of fraud risk is of paramount importance. Fraud can cause significant financial losses and damage the reputation of the Company, leading to loss of customer trust and confidence	The Company implements a robust risk mitigation approach for fraud management. We conduct regular internal audits, establish strong internal controls, promote ethical behavior, and provide ongoing training to employees. By prioritizing proactive measures, we ensure the safety and trust of our stakeholders.	Negative

# Independent Auditor's Report

To  
**The Members of NDL Ventures Limited**  
 (Formerly known as NXTDIGITAL Limited)

## Report on the Audit of the Financial Statements

### Opinion

1. We have audited the accompanying financial statements of **NDL Ventures Limited** (formerly known as "NXTDIGITAL Limited") ("**the Company**"), which comprise the Balance Sheet as at March 31, 2024, the statement of Profit and Loss (including other comprehensive income), its statement of cash flows and the statement of changes of equity for the year ended on that date and notes to the financial statements including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and are in conformity with the Accounting standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015 as amended ("IND AS") and other accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, its statement of cash flows and the statement of changes of equity for the year ended on that date.

### Basis for Opinion

2. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information other than the Financial Statements and Auditor's Report thereon

3. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Director's report, but does not include the financial statements and our auditors report thereon.

Our opinion on the financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### Responsibilities of Management and those charged with governance for the Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements, that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

# Independent Auditor's Report

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or cease the Company's operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements:

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence economic decision of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentation or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management use of the going concern basis of accounting and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, the future events or conditions may cause Company to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the financial statements including the disclosures and whether the financial statements represent the underlying transactions and events in the manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding among other matters the planned scope and timing of the significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied relevant ethical requirements independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Independent Auditor's Report

## Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "**Annexure A**" a statement on the matters specified of the order.
7. As required by Section 143(3) of the Act, we further report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph h (vi) below on reporting under Rule 11(g);
  - c) The Balance sheet, the Statement of Profit and Loss Account (including other comprehensive income), the Statement of Cash Flows and Statement of Changes in Equity deal with by this report are in agreement with the relevant books of account;
  - d) In our opinion, the aforesaid financial statements comply with the IND AS specified under section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
  - g) In our opinion, according to information, explanations given to us, the remuneration paid / provided by the Company to its director during the year is in accordance with the provisions of Section 197 of the Act and the rules thereunder.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
    - i. The Company has disclosed the impact of pending litigation in the financial statements – Refer note 22 of the financial statements.
    - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and
    - iii. There has been no delay in transferring the amounts, required to be transferred, to the Investors Education and Protection Fund by the Company.
    - iv. A) The Management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - B) The Management has represented, that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

# Independent Auditor's Report

- C) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations under sub-clause A) and B) above, contain any material mis-statement.
- v. As stated in Note no 32(b) to the financial statements:
- The final dividend proposed in the previous year, declared and paid by the Company during the year is in compliance with section 123 of the Act as applicable;
  - The Board of directors of the Company have proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in compliance with section 123 of the Act as applicable.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except Tally Prime Version 2.1, accounting software used by the Company which did not have the feature to capture edit logs till October 03, 2023. However, during the course of our audit we did not come across any instance of the audit trail feature nor any instance of accounting records being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Company only w.e.f. April 1, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

- (iv) In our opinion and according to the information and explanations given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year and hence directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provision of the act and rules framed thereunder are not applicable.
- (vi) Having regard to the nature of the company's business/activities, reporting under clause (vi) of the Order with respect to maintenance of cost records under section 148 (1) of the Act is not applicable.

## 'Annexure A' To The Independent Auditor's Report

- (vii) According to the information and explanations given to us and based on our examination of the records of the Company, we report that in respect of statutory dues:
- a) The Company has generally been regular in depositing undisputed statutory dues including provident fund, income tax, Goods and service tax and other material statutory dues applicable to it to the appropriate authorities.
  - b) There were no undisputed amounts payable in respects of provident fund, income tax, Goods and service tax, cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
- (viii) According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Tax Assessment of the Company. Also, there is no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.
- (ix) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;
- a) There are no loans or borrowings made by the Company and hence the provision stated in paragraph 3(ix)(a) of the order is not applicable.
  - b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
  - c) No money was raised by way of term loans. Accordingly, the provision stated in paragraph 3(ix)(c) of the Order is not applicable to the Company.
  - d) There are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.
  - e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
  - f) The Company has not raised loans during the year on the pledge of securities held in its securities, joint ventures or associate companies.
- (x) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;
- a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.
  - b) The Company has not made any preferential allotment or private placement of shares or fully, partly or optionally convertible debentures during the year. Accordingly, the provisions stated in paragraph 3(x)(b) of the Order are not applicable to the Company.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, we report that;
- a) During the course of our audit, examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company nor on the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph (xii) (a) to (c) of the Order are not applicable to the Company.
- (xiii) According to the information and explanations given to us and based of our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

## 'Annexure A' To The Independent Auditor's Report

- (xiv) In our opinion and based on our examination, the Company does not require to comply with provision of section 138 of the Act. Hence, the provisions stated in paragraph 3(xiv) (a) to (b) of the Order are not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any Non-Cash transactions with its directors or with such directors and hence provisions of sections 192 of the companies Act, 2013 are not applicable to the Company. Accordingly, the provisions stated in paragraph (xv) of the Order are not applicable to the Company
- (xvi) According to the information and explanations give to us:
- a) The Company has applied for the registration under section 45-IA of the Reserve Bank of India and at present the same is pending at RBI
  - b) The Company has not conducted any Non-Banking Financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
  - c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (xvii) Based on the overall review of the financial statements, the Company has not incurred any cash losses during the current financial year and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph clause 3 (xviii) of the Order are not applicable to the Company.
- (xix) According to the information and explanations given to us and based on our examination of financial ratios, ageing and expected date of realization of financial assets and payment of liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of audit report and the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) According to the information and explanations given to us, the provisions of section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause (xx)(a) and clause (xx)(b) of the Order is not applicable to the Company.
- (xxi) Since Company is standalone entity and hence reporting under clause (xxi) of the Order with respect to Qualification or adverse remarks in CARO reports of group companies is not applicable.

Yours Sincerely,

# 'Annexure B' To The Independent Auditor's Report

(Referred to in paragraph 7(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

## Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of **NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) ("**the Company**") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting

## 'Annexure B' To The Independent Auditor's Report

to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit issued by the ICAI.

## Notes to the financial statements for the year ended March 31, 2024

### 1. Corporate information

**NDL Ventures Limited** (formerly known as NXTDIGITAL Limited) (“**the Company**”) is a public limited company incorporated and domiciled in India and governed by the Companies Act, 2013 (“Act”). The Company’s registered office is situated at IN Centre, 49/50, MIDC, Andheri East, Mumbai – 400 093, Maharashtra, India.

The Company’s equity shares are listed on two stock exchanges in India, namely, National Stock Exchange of India Limited and BSE Limited.

The name of the Company “NXTDIGITAL Limited” is changed to “NDL Ventures Limited” vide revised certificate of incorporation dated April 20, 2023, issued by Ministry of Corporate Affairs/Registrar of Companies.

### A. Basis of Preparation of Financial Statements

#### A.1 Statement of compliance

These financial statements are the separate financial Statements of the Company prepared in accordance with Indian Accounting Standards (‘Ind AS’) notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

#### A.2 Functional and presentation currency

The financial Statements are presented in Indian Rupees (INR), which is also the Company’s functional currency. All amounts have been rounded-off to the nearest lakh, unless otherwise indicated.

#### A.3 Basis of measurement

The financial Statements have been prepared on the historical cost basis except certain financial instruments that are measured at fair values at the end of each reporting period as explained.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per Company normal operating cycle and presented as per criteria set out in the Division II format of Schedule III to the Act. The Company has identified its operating cycle as twelve months.

## Notes to the financial statements for the year ended March 31, 2024

### B. Material Accounting Policies

#### Summary of Material accounting policies mentioned below

#### B.1 Use of Estimates

The preparation of financial statements is in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised, and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

1. Useful lives of property, plant and equipment (refer note no.B.6)
2. Impairment of property, plant and equipment as well as intangible assets (refer note no.B.8)
3. Employee benefits (refer note no.B.4)
4. Expense Provisions & contingent liabilities (refer note no.B.10)
5. Valuation of deferred tax assets (refer note no.B.5)

#### B.2 Revenue recognition

The Company has adopted Ind AS 115 “Revenue from Contracts with Customers” which sets forth a single comprehensive model for recognising and reporting revenues.

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services in the normal course of business.

To recognise revenues, we apply the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract and
- (5) recognise revenues when a performance obligation is satisfied.

#### Performance obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the client and is the unit of accounting in Ind AS 115.

The performance obligations of the Company are satisfied over time as services are rendered.

#### Determination of transaction price

Revenue is measured based on transaction price which includes variable consideration only to the extent it is probable that a significant reversal of revenues recognised will not occur when the uncertainty associated with the variable consideration is resolved. Revenues also exclude taxes collected from customers.

#### Allocation of transaction price

A contract’s transaction price is allocated to each distinct performance obligation and recognised as revenue when, or as, the performance obligation is satisfied. For contracts with multiple performance obligations, we allocate the contract’s transaction price to each performance obligation based on the relative standalone selling price. The primary method used to estimate standalone selling price is the adjusted market assessment approach, under which the Company evaluates the price in that market that a customer is willing to pay for those services. While

## Notes to the financial statements for the year ended March 31, 2024

determining relative standalone selling price and identifying separate performance obligations require judgment, generally relative standalone selling prices and the separate performance obligations are readily identifiable as we sell those performance obligations unaccompanied by other performance obligations.

### Rendering of other services

Revenue from services is recognised when the services are rendered in accordance with the specific terms of contract and when collectability of the resulting receivable is reasonably assured.

### Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

### Dividend Income

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

### Other Income

Other income comprises of income from ancillary activities incidental to the operations of the Company and is recognised when the right to receive the income is established as per the terms of the contract.

Accounting treatment of assets and liabilities arising in course of sale of goods and services is set out below:

### Trade receivable

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due)

### Contract balances

#### Contract Asset

A contract asset is right to consideration in exchange of services that the company has rendered to a customer when that right is conditioned on something other than passage of time. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

#### Contract Liability

A contract liability is the obligation to render services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company renders services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company renders services as per the contract.

### B.3 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit or loss in the period in which they are incurred.

### B.4 Employee benefits

Employee benefits include contributions to provident fund, employee state insurance scheme, gratuity fund, compensated absences, pension and post-employment medical benefits.

## Notes to the financial statements for the year ended March 31, 2024

### Retirement benefit costs and termination benefits

Payments to defined contribution plans i.e., Company's contribution to Government administered provident fund, superannuation fund and State plans namely Employees State Insurance and Employees' Pension Scheme other funds are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period when the services are rendered by the employees entitling them to the contributions and the Company has no further obligation beyond making its contribution.

For defined benefit plans i.e. Company's liability towards gratuity (unfunded), other retirement/ terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Re-measurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit or loss. Past service cost is recognised in statement of profit or loss in the period of a plan amendment Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

### Short-term employee benefits

A liability is recognised for benefits accruing to employees in respect of salaries, performance incentives, annual leave, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

### Long-term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

## B.5 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax for the year are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### Current tax

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes and advance taxes paid in respect of the same jurisdiction are presented in the balance sheet after offsetting these balances on an assessment year basis.

### Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be

## Notes to the financial statements for the year ended March 31, 2024

available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

### B.6 Property, plant and equipment

#### Cost

Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty / tax credit availed) less accumulated depreciation / amortisation and accumulated impairment loss if any. Cost includes freight, duties, taxes, professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The residual values and useful lives of Property, plant and equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

#### Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is possible that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of profit or loss during the reporting period in which they are incurred.

#### Depreciation / amortisation

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives of the assets specified in Schedule II of the Companies Act, 2013, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Particulars	Estimated Useful life
Plant and machinery	6-18 years
Office Equipment	5 years
Computers	3 years
Furniture and fixtures	10 years
Vehicles	8 years

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of Property, Plant and Equipment.

## Notes to the financial statements for the year ended March 31, 2024

### De-recognition

An item of property, plant and equipment is derecognized upon disposal or retired from active use or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of profit or loss in the year of occurrence.

### B.7 Intangible assets

#### Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately is capitalised and carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

#### Useful lives of intangible asset

Estimated useful lives of the intangible asset is carried out by the management based on technical assessment

#### De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

### B.8 Impairment of tangible and intangible assets

At the end of each reporting period, the Company determines whether there is any indication that its assets have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognized, if the carrying amount exceeds the recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

### B.9 Inventory

Real Estate (Land) inventories are stated at lower of cost and net realisable value. Cost includes cost of land, registration charges, stamp duty, brokerage costs and incidental expenses. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make the sale.

### B.10 Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

## Notes to the financial statements for the year ended March 31, 2024

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

Provisions and contingent liabilities are reviewed at each balance sheet date.

### B.11 Non-current assets held for sale (Discontinued operation)

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations. The results of discontinued operations are presented separately in the statement of profit and loss.

Non-current assets are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. The Management must be committed to the sale, which should be expected to qualify for recognition as completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Upon classification, non-current assets held for sale are measured at the lower of carrying amount and fair value less costs to sell and are presented separately from the other assets under 'Current Assets' in the balance sheet. Liabilities associated if any, with non-current assets classified as held for sale, are disclosed under 'Current liabilities' in the Balance Sheet.

### B.12 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

#### After initial recognition

- (i) Financial assets (other than investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flow and

## Notes to the financial statements for the year ended March 31, 2024

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Interest Income on such debt instruments is recognised in profit or loss and is included in the “Revenue from Operations”.

- (ii) Financial assets (i.e. derivative instruments and investments in instruments other than equity of subsidiaries and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the “Revenue from Operations”.

### Investments in equity instruments of subsidiaries and other equity instruments

The Company measures its investments in equity instruments of subsidiaries at cost less impairment, if any, in accordance with Ind AS 27.

All other equity investments are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Company has the irrevocable option to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

### Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive, discounted at the original effective interest rate) and credit risk exposure on the following financial assets;

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- Trade receivables - The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses at each reporting date, right from its initial recognition. Trade receivables are tested for credit impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected etc. and expectations about future cash flows.

### Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, it estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. For the purpose of assessing impairment of the cash inflows from other assets or Company's assets cash-generating units (CGU).

Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

## Notes to the financial statements for the year ended March 31, 2024

### De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

### Financial Liabilities and Equity Instruments

#### Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue, or cancellation of the Company's own equity instruments.

#### Financial liabilities

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

#### De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

### B.13 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term deposits (with an original maturity of three months or less) highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

### B.14 Cash flow statement

Cash Flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated.

## Notes to the financial statements for the year ended March 31, 2024

### B.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### B.16 Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### (i) Taxation

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilised.

#### (ii) Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where such inputs are not available, the Company engages third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements.

#### (iii) Estimation of defined benefit plans

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates, and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

#### (iv) Contingent liabilities

Contingent liabilities are not recognised in the financial statements but are disclosed in the notes. They are assessed continually to determine whether an outflow of resources embodying economic benefits has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

## Notes to the financial statements for the year ended March 31, 2024

### B.17 Foreign currency transactions

Foreign exchange transactions are recorded using the exchange rates which approximate to the rates prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date.

Any income or expense on account of exchange difference either on settlement or translation of monetary items is recognised in the Statement of profit and loss.

### B.18 Recent accounting pronouncements

The Company has applied the following Ind AS pronouncements pursuant to issuance of the Companies (Indian Accounting Standards) Amendment Rules, 2023 with effect from 1st April, 2023. The effect is described below:

- a. Ind AS 1 – Presentation of Financial Statements – The amendment requires disclosure of material accounting policies instead of significant accounting policies. In the financial statements the disclosure of accounting policies has been accordingly modified. The impact of such modifications to the accounting policies is insignificant.
- b. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors – The amendment has defined accounting estimate as well as laid down the treatment of accounting estimate to achieve the objective set out by accounting policy. There is no impact of the amendment on the financial statements.
- c. Ind AS 12 – Income taxes – the definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the financial statements

### i) Terms/Rights attached to equity shares

The Company has only one class of shares referred to as equity shares having a face value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

The Company declares and pays dividends in Indian Rupees. Payment of dividend is also made in foreign currency to shareholders outside India. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting

Proposed dividend for FY 2023-24 is ₹ 1/- per equity share of face value of ₹ 10/- each (Previous year - ₹ 2/- per equity share of face value of ₹ 10/- each), subject to approval at the ensuing Annual General Meeting of the Company and hence is not recognised as a liability.

## Notes to the financial statements for the year ended March 31, 2024

As per the Companies Act 2013, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts in the event of liquidation of the Company. However, no such preferential amounts exist currently. The distribution will be in proportion to the number of equity shares held by the shareholders.

### ii) Reconciliation of number of Shares outstanding at the beginning and at the end of the year:

### Description of nature and purposes of reserves :

#### (i) Capital Reserve :

Excess of net assets acquired over consideration paid/payable.

#### (ii) Retained earnings :

This reserve represents the surplus of the statement of profit and loss. The amount can be distributed by the company as dividends to its equity shareholders and is determined based on the financial statements of the Company and also considering the requirements of the Companies Act, 2013.

#### (iii) Remeasurement gain / (loss) on defined benefit obligations

The company has recognised remeasurement loss on defined benefit plans in other comprehensive income (OCI). These changes are accumulated within the OCI reserve within Other equity. The company transfers amounts from this reserve to retained earnings when the relevant obligations are derecognised.

### 22 Litigations and claims

As a part of its real estate activity, the Company had acquired approximately 47 acres of land in Devanahalli Bengaluru from a party in terms of Agreement of Sale Deed dated 28.07.1995. However, as the said party, though in receipt of sale consideration did not fulfil its legal obligation to transfer the title in the name of the Company, the Company filed a suit for specific performance in the Civil Court in 2011. An order granting temporary injunction was passed on 11.03.2013 restraining the said party from alienating or in any way encumbering the land in Devanahalli. A criminal complaint was also filed at the Devanahalli Court on 10.11.2014 and subsequently, the Hon'ble High Court of Karnataka vide order dated 19.07.2019 has quashed the criminal complaint filed before the Court at Devanahalli and the proceedings is disposed of as such. The suit for Specific Performance in the Civil Court is pending. The Department of Revenue, Government of Karnataka, has also raised certain issues relating to the title of the land which are being addressed by the Company.

## Notes to the financial statements for the year ended March 31, 2024

### (ii) Financial instruments - Financial risk management

The Company's activities expose it to a variety of financial risks: Market risk, credit risk, liquidity risk. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the policy is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company.

#### i. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk.

##### a. Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's inter corporate deposits. The Company's inter corporate deposits with fixed interest rate is primarily short-term, which do not expose it to significant interest rate risk.

##### b. Foreign Currency Risk and Other price risk

The Company is not exposed to any foreign currency risk and other price risk as the company is not dealing in any foreign operation nor it is having any investments.

#### i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company is not exposed to credit risk as there are no trade receivables as on March 31, 2024.

#### Inter Corporate Deposits

Inter Corporate Deposits of ₹4,904 lakhs receivable as on March 31, 2024 are with a Company having a good financial position & credit rating in the market.

#### ii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

#### Liquidity risk management

The Company's corporate treasury department is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company ensures that it has sufficient cash on demand to meet expected operational expenses for a month, including the servicing of financial obligations, this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters and epidemics such as COVID-19.
