About **NXTDIGITAL** Limited

NXTDIGITAL Limited's operations span three segments namely Media & Communication, Real Estate and Treasury & Investment. The Company's principal business investments are in Media and Communications through its stake in **IndusInd Media & Communications Limited**, which is the only integrated digital media distribution company in the country covering **Satellite (HITS), Digital cable and Broadband**. The platforms have a pan India presence and service India's complete socio-economic strata.

IndusInd Media & Communications Ltd (IMCL) was established in 1995 by the Hinduja Group, which recognised the vast opportunity and growth that lay ahead in the Television Broadcasting & Distribution Industry. This visionary move has resulted in IMCL being one of the leaders in the space today. IMCL is the only Company in the Country distributing TV signals through a dual delivery platform consisting of the traditional terrestrial fiber route and the country's only Head End in the Sky (HITS) satellite platform, under the brand names **InDigital** and **NXTDIGITAL** respectively.

The Digital Cable television platform delivers over **750+ channels across 100+ cities/towns** whilst the Headend-In-The-Sky (HITS) services are available in India **across 1500+ cities/towns** and growing. With its state-of-the-art broadcasting facilities and **award-winning innovations in technology**, IMCL is considered a leader in charting the digital course for the industry.

A true game-changer, the HITS platform enables IMCL to function also as a **managed service provider to MSOs and LCOs**; providing them with the highest levels of quality of services; cost effectively.

Other than digital content distribution, it's subsidiary **ONEOTT ENTERTAINMENT Limited** has a strong presence in broadband, riding on nearly 5,000kms of owned fibre; offering its Internet services in over 40 cities. ONE provides high speed internet connectivity over a Fiber optic GPON last mile to customers through a flagship brand, **ONE GigaFiber**.
